## **CHILD CARE SCHOLARSHIP APPLICATION**

**Academic Year 2010 - 2011**

*Fall Deadline: September 1, 2010*

*Spring Deadline: January 1, 2011*

The Child Care Scholarship Program provides financial support for child care costs to parents with demonstrated financial need who are pursuing their undergraduate degree or professional or technical certification.

### **What We Provide**

The Child Care Scholarships range from \$500 to \$9,000 per year, depending on the parent's enrollment status and the cost of child care. The scholarship is designed to provide financial assistance by contributing to a portion of the child care costs. It will NOT cover the entire cost of child care. The Child Care Scholarship is renewable annually for students who demonstrate sufficient progress towards their educational goals.

### **Who Can Apply?**

Any Marin County resident who will be attending an undergraduate degree program or training program that results in a degree, license or certificate from an accredited or state-approved institution and:

- Enrolls part-time (minimum of 6 units) or full-time (as defined by the institution)
- Has children ages 0-10 enrolled in a licensed or license-exempt child care facility
- Demonstrates financial need

Child Care Scholarships are **NOT** available for:

- Retroactive child care costs
- Applicants who have already attained their bachelor's degree
- Applicants who are enrolled less than part time (6 units or as determined by their program)
- Enrollment in non-accredited schools or programs
- Applicants enrolled in graduate degree programs
- Child care during the summer

### **Eligibility Criteria**

#### ***Residency***

Any applicant must be a current resident of Marin County and have been a continuous resident of Marin County since September 1, 2009. Applicants who currently live outside of Marin County for the sole purpose of attending a degree or training program meet the residency requirement provided they had one year of continuous residency immediately prior to beginning their studies.

*Applicants may be asked to submit proof of residency.*

#### ***Financial Need***

The high cost of child care can pose a significant barrier to the successful pursuit of one's educational or training goals. The scholarship is designed to provide financial assistance by contributing to a portion of the cost of child care to students with significant financial need. Determination of financial need is based on the applicant's family size, household income, family assets, and number of family members attending postsecondary educational or training programs and the cost of child care.
